### YOU CAN HELP!

Thanksgiving is quickly approaching, and there are several families in our church and community that are in need. In an effort to reach out and provide a meal for Thanksgiving, we are collecting baskets with the following items by Sunday, November 20. (The total cost of these purchases should be under \$25.) We will be adding a turkey to each basket before pickup. Donations for turkeys are appreciated, or frozen turkeys may be left in the freezer in the kitchen.
